**ORDER:**

The Director of Boilers in his letter 2<sup>nd</sup> read above has stated that M/s.Sree Rayalaseema Alkalies and Allied Chemicals Limited had purchased a coal fired second hand 110 TPH imported boiler, from Finland, Europe for their captive Power Project and they have got the necessary tests conducted on the boiler by the approved agencies.

2. The Director of Boilers after thorough examination of the issue has stated that since the material, design or construction of the subject boiler is found satisfactory and not in anyway doubtful, it is a fit case for the Government to consider exercising powers conferred under subsection (3) of section 34 of the Boilers Act, 1923 and proposed the Government to exempt the subject Boiler from the stipulation “the documents required under its code of manufacture for registration are furnished” under sub Regulation (i) of Regulation 7 of Indian Boiler Regulations, 1950 to enable him to register the said boiler and certify its use.

3. After careful examination of the proposal of the Director of Boilers, the Government of Andhra Pradesh being satisfied with the circumstances reported by the Director of Boilers in his letters mentioned above, has decided to exercise its powers conferred under subsection (3) of Section 34 of the Boilers Act, 1923 to enable the Director of Boilers to register and certify the use of the Second hand Boiler.
